

Kingston 8GB DDR4 2666Mhz 1Rx8 Laptop RAM

Product Specification

|                       |                                                                                                                                     |
|-----------------------|-------------------------------------------------------------------------------------------------------------------------------------|
| Brand                 | Kingston                                                                                                                            |
| Model                 | KVR26S19S8 8                                                                                                                        |
| Type                  | DDR4 Laptop RAM                                                                                                                     |
| Capacity              | 8GB                                                                                                                                 |
| Speed                 | 2666Mhz                                                                                                                             |
| PCB Height            | 1.18 inches                                                                                                                         |
| Rank                  | 1Rx8                                                                                                                                |
| Power Supply          | 1.2V                                                                                                                                |
| CAS Latency           | CL-19                                                                                                                               |
| Operating Temperature | 0o C to +85o C                                                                                                                      |
| Storage Temperature   | -55o C to +100o C                                                                                                                   |
| Additional Features   | Nominal and dynamic on-die termination (ODT) for data, strobe, and mask signals   Low-power auto self refresh (LPASR)   Single-rank |
